Neighbor Contact Information Form Notes:

The information on this form can be combined into a Excel spreadsheet and in addition password protected for extra security. Generally, an Excel spreadsheet can be opened on PC and MAC computers. A copy of the combined spreadsheet should then be distributed to each neighbor. The Master Combined Neighbor Contact Information spreadsheet should be stored at the designated Neighborhood Watch Block Captain's location. Do not leave this contact information in plain view.

For any reason, the above information should not be used for solicitation.
