The Housing Successor has had an Excess Surplus since FY 2012/13. The projected surplus by the end of FY 2019/20 could be less than \$1,000,000 if annual administrative costs average about \$250,000 per year. However, the balance could be higher from repayment of loans and should be monitored in FY 19/20 to assure there is not an excess surplus. Additionally, to expend the excess surplus/fund balance the Housing Successor Agency can seek to submit a request for proposal to fund a future affordable housing project.
